

I THINK OF A DRAGON

1. When I am out on the play-ground and some-one is cal-ling me names... I wish for a drag-on be-side
 me Breath-ing the smal-lest of flames A drag-on_ to be my pro-tec - tor_ whose
 calm rep-til-i-an gaze_ would get all the bul-lies to think - ing that they should be mend-ing their
 ways Oh I think of a drag-on be-side_ me I think of its claws that flash in the sun I
 know it-'ll help me to stay_ and not run 'cause two heads are bet-ter than one!_

2.1 I think of a drag-on be-side_ me I think of its claws that flash in the sun I
 know it-'ll help me to stay_ and not run 'cause two heads are bet-ter than one!_

2. I wish for a dragon to help me
 When someone gives me dirty looks
 But what good is wishing for dragons
 I've only seen dragons in books
 It's not only me that needs dragons
 To guard us at home or at school
 To ripple their scales at the wise guy
 Who ducks us too hard at the pool CHORUS

3. I could be somebody's dragon
 It doesn't take magic or might
 I could just be there beside them
 And calmly say "That isn't right"
 I might be too frightened to help them
 The bully might bully me, too
 But I could imagine my dragon
 And do what a dragon would do CHORUS
