# DANCING WITH BABIES

Babe on your shoulder, babe in a sling,  
Dance them in silence, dance them and sing.  
Humming and bubbling, scattin and babbling,  
Babe on your shoulder, babe in a sling.

Baby will follow whatever you do,  
Hip-hop or hoe-down, it's all up to you,  
Minuet or disco, salsa or do-si-do,  
Baby will follow whatever you do.

Dancing with babies puts 'em to sleep  
But if you stop dancing, they start to weep  
Crying and bawling, then caterwauling,  
Dancing with babies puts 'em to sleep  
But not 'til you're ready to fall in a heap  
Yourself.
