

Early in the Morning

words and music
by Malvina Reynolds

C F

Ear-ly in the morn-ing not yet dawn,

C F

Nev-er was a-wake so ear-ly in the morn,

Bb C

One star, two stars, all the rest gone,

dm C F

Ear-ly in the morn-ing.

Early in the morning, just before day,
I can hear the chipmunks rustle in the hay,
I can hear the rooster high far away,
Early in the morning.

I can smell the pine trees way over head,
I can smell the sweet water near to my bed,
I can smell the wood fire cooking up bread,
Early in the morning.
